

Dear Spirit of Christ family - thank you so much for investing in the lives of our teen moms and their little ones! You are making a huge impact in their lives! Danielle is the teen mom with long hair in the picture below. Danielle came to us 19 months ago from foster care, when her daughter Gracey was just three weeks old. Danielle has grown into a wonderful, loving mother. She has completed her GED and a college certification in Early Childhood Education. She has grown from a quiet girl with little confidence, to a mature young woman and role model to the other residents of Hope House. Best of all, she has grown to know the Lord, and she often talks about how her faith has changed her life. She truly allows Christ to shine through her. Thank you for being a part of remarkable journeys like Danielle's! God bless,

Lisa Steven, Executive Director

Thank You!
